

Religious Exemption to Immunizations

Name of Student _____

Identification Number _____

This form is for the use of religious exemption to Public Health Law immunization requirements for Trocaire College students. Its purpose is to establish the religious basis for your request since the State permits exemptions on the basis of a sincere religious belief. Philosophical, political, scientific, or sociological objections to immunization do not justify an exemption under Department of Health regulation 10 NYCRR, Section 66-1.3 (d), which requires the submission of: A written and signed statement from the student, stating their objects to immunizations due to sincere and genuine religious beliefs which prohibit the immunization.

In the area provided below, please write your statement. The statement must address all of the following elements:

- Explain in your own words why you are requesting this religious exemption.
- Describe the religious principles that guide your objection to immunization.
- Indicate whether you are opposed to all immunizations, and if not, the religious basis that prohibits particular immunizations.

You may attach to this form additional written pages or other supporting materials if you so choose.
