OUR TUTORING SERVICES

Note: Services are available upon request at Transit.

Academic Coaches-- Professional Coaches provide general assistance in basic computer skills, and learning and study strategies in any subject area; some may provide coaching in a specialty area.

Professional Tutors - Provide subject area or course-based tutoring. They are degreed in the areas they tutor.

Peer Tutors-- Peer tutors are students who provide subject area or course-based and/or academic program-based tutoring.

Nursing Studies Tutoring

Note: Group tutoring will become a significant part of tutoring services for nursing studies.

1st Level -- Tutoring is provided for the following courses: NU110 Health Assessment & Promotion; NU112 Nursing Concepts; NU114 Medication Essentials I; NU116 Professional Issues I.

2nd Level -- Tutoring is provided for the following courses: NU115 Medication Essentials II; NU122 Health Restoration I; NU124 Maternal Newborn Nursing.

3rd Level -- Tutoring is provided for the following courses: NU214 Health Restoration II; NU217 Pediatric Nursing.

4th Level -- Tutoring is provided for the following courses: NU216 Professional Issues II; NU220 Mental Health Nursing; NU222 Health Restoration III

Writing Drop Box – Students may submit their written assignments through email to Megan Vogel (at vogelm@trocaire.edu), she will review students' written assignments and return them to students through email. Students are expected to complete a form to describe the requirements of the written assignment.

**Some academic program-related tutoring services are available upon the request of program directors.

*** Please allow 48 hours for the tutoring services staff to respond to you.
