

DON'T FORGET TO MAKE TIME FOR COURSE DEVELOPMENT!

HOW CAN WE HELP YOU?

THEORY: FACULTY DEVELOPMENT CENTER

Focus Development of faculty as teaching professionals through educational theory and instructional best practices.

Process The Faculty Development Coordinator can help you find information and get training on new pedagogies and instructional technologies.

Contact MCDC@trocaire.edu

IMPLEMENT: INSTRUCTIONAL DESIGN (EdTECH)

Focus Development of courses using applied theory and technology resources.

Process The Instructional Design team will assist you in outcomes alignment, assessment, the creation of original media (videos & graphics), training on new technology, and making textbook & publisher resource selections.

Contact edtech@trocaire.edu

MEASURE: OUTCOMES ASSESSMENT

Focus Measurement of student performance against course learning objectives.

Process The Outcomes Assessment Coordinator assists faculty in collecting course data in support of Student Learning Outcomes (SLO) assessment.

Contact outcomesassessment@trocaire.edu

EVALUATE: INSTITUTIONAL RESEARCH

Focus Evaluation of instructional performance against retention goals & learning objectives.

Process The Director of Assessment and Research oversees all assessment activities at the college, and prepares outcomes data for outside accreditors and academic leadership. Instructors can see the results of their assessment by contacting their Dean.

HOW DO WE WORK TOGETHER?

FACULTY DEVELOPMENT & EdTECH

Focus Developing and delivering training on Instructional Best Practices

Process The Faculty Development Coordinator and the Instructional Design team work together to develop and deliver training offerings and host events related to course development and instructional technologies.

Contact facultytraining@trocaire.edu

ED TECH & OUTCOMES ASSESSMENT

Focus Translation of course structures into assessment model

Process The Instructional Design team provides support to the Outcomes Assessment Coordinator through the appropriate application of assessment technologies and the implementation of course designs centered around outcomes alignment.

Contact courseassessment@trocaire.edu

OUTCOMES ASSESSMENT & INSTITUTIONAL RESEARCH

Focus Development of assessment tools

Process The assessment coordinator works with the Director of Institutional Assessment on the model of student learning outcomes assessment.

Contact assessmentdevelopment@trocaire.edu

INSTITUTIONAL RESEARCH & FACULTY DEVELOPMENT

Focus Gap Analysis

Process The results of the SLO assessments are communicated to the faculty development coordinator to help inform the choice of training content and the development of new training curriculum.
