Trocaire College Career Services

<https://my.trocaire.edu/career-services/>

Career Services at Trocaire College assists students in the development and pursuit of educational and life goals. Career Counseling is available to current students and alumni to assist with re-assessing career direction or confirming career choices. A variety of career and personality assessments are also offered to assist with determining educational and occupational choices; preferences for particular job duties, aptitudes and achievement in various areas, and preferences for particular qualities of the work environment.
